**In an effort to cut down on the work frustrations we are now offering a non-working membership for an additional \$50. You will not be required to work at the Deep Dixie shows – you will still be required to pick up after yourselves and your trailer area. Please note this does not extend to the state show – *every* member going to state will be required to work a time slot at the state show.

Working members are required to help at each show they attend, please plan your schedule accordingly. Areas needing to be covered at all times at all shows are Announcer, Ring Steward, Gate Keeper, Entry both assistance – a lot of help needed prior to show start through the halter classes.

Forms may be turned in at first show or mailed.
